

Macy's Inc. Endowed Scholarship in Memory of Rudolph V. Javosky

Description

Macy's Inc. (formerly Federated Department Stores, Inc.) has made available to NKU Construction students five \$1,000 scholarships each year in memory of Rudolph V. Javosky (former Senior Vice President of Design & Construction). The scholarship's intent is to encourage students to consider retail design and construction careers.

Requirements

1. Be a declared major of Construction Management (CMGT) or Construction Technology (CST)
2. Have a minimum cumulative GPA of 3.0
3. Submit a 1,000 word essay based on the following description:
“Among the factors to be considered in the evaluation of the scholarship application will be academic performance, service, financial need, leadership, etc. The essay should explain to the committee why you need the scholarship, for what purpose you intend to use the monetary award, why you feel you are a deserving candidate, and one paragraph on how you see a connection between retail sales and the construction industry.”

Deadline

Application and essay must be received by the Department of Construction Management by April 1, 2009.
