

ELOC ESSAY REQUIREMENT DESCRIPTIONS

Personal Statement Essay: In 1-2 pages please tell us about yourself so that the committee can learn more about you. As part of this essay, please discuss (among other things) 1) your strengths and developmental needs, 2) how you learn best and what conditions/situations allow you to do so, and 3) what would you like to learn while going through the ELOC program. We are interested in finding out more about you as a learner and a person.

Current Career Essay: In 1-2 pages please describe your current job responsibilities, highlighting significant decision-making roles/responsibilities. Also, describe any formal/informal leadership roles you play in your current position or in your organization.

Career Objective Description Essay: In 1-2 pages please discuss your career goals for the next 5 to 10 years and how the ELOC program might play a role in helping you achieve these goals. Also discuss what you hope to get out of the ELOC program professionally that would be beneficial for you in the future.
